

# EAST HIGH STREETSCAPE

## Continue the conversation at the Open House!

Join us at CitySpace on August 15th from 5:00pm to 7:00pm to **offer your feedback on the latest design concepts** for the East High Streetscape.

Over the last few months, more than 17,500 outreach data points and 500 comments have been collected as part of the East High Streetscape project. The Open House will be your chance to see how the community's input has contributed to the latest design concepts and to offer feedback. **Join us any time between 5:00pm and 7:00pm to interact with the design team.**
